

**AMENDMENTS TO THE DRAWINGS**

Please replace FIG. 13 of the Drawings with the attached amended drawing page including the amended FIG. 13. The amendment to FIG. 13 switches the Bessel Beam, originally appearing at the input of the Axicon, with the Gaussian Beam, originally appearing at the output of the Axicon. In other words, in the amended FIG. 13, the Gaussian Beam appears at the input of the Axicon and the Bessel Beam appears at the output of the Axicon. Representative for Applicant respectfully submits that no new matter is introduced by the amendment to FIG. 13.
